Leucos

- lèucos [λευκός] > white/bianco -

“white, pure and bright are the
essence of modernity; representing
our desire to create a fresh design
perspective, our courage to discover
new possibilities, and our drive to
beautify the spaces of
our daily lives”

espressione di modernità, rappresentano il desiderio
di interpretare il mondo, il coraggio di indicare
nuove strade, l'ambizione di vestire gli spazi
della vita quotidiana”
