

**ATTENZIONE:** la sicurezza dell'apparecchio è garantita con l'uso appropriato delle seguenti istruzioni, pertanto è necessario conservarle. Scollegare la spina dalla presa prima di agire sull'apparecchio. L'installazione di questo apparecchio deve essere eseguita da personale specializzato.

L'apparecchio non deve essere installato in posizioni diverse da quelle indicate nelle istruzioni di montaggio.

Le operazioni di montaggio e manutenzione dell'apparecchio devono essere eseguite con la massima attenzione per non danneggiare i componenti.

Le parti in metallo, vetro o altro di questa lampada devono essere pulite con un panno morbido e un detergente neutro.

LEUCOS a Brand of Clann srl non potrà procedere alla sostituzione dei prodotti per difetti di fabbricazione se non verranno restituiti tramite rivenditore e comunque solo dopo aver accertato la natura del problema o difetto.

Il prodotto non può essere in alcun modo modificato o manomesso, ogni modifica ne può compromettere la sicurezza rendendo lo stesso pericoloso. Leucos a brand of Clann srl declina ogni responsabilità per i prodotti modificati.

I materiali utilizzati in questo prodotto, se esposti direttamente ai raggi solari, potrebbero subire una naturale variazione cromatica.

Il LED (gruppo luce) può essere sostituito dall'utente finale. Vedi istruzioni di montaggio fornite con il modulo.

Se il cavo viene danneggiato deve essere sostituito esclusivamente dal costruttore o da personale qualificato.

**WARNING:** the safety of this fixture is only guaranteed if the following instructions have been observed.

Disconnect the plug from the socket before working on the appliance.

The installation on this fixtures should be undertaken only by a professional electrician.

Fixture must not be installed in any position other than that shown in instructions.

Assembly and maintenance of fixture must be performed carefully so as not to damage components.

Metal surfaces, glass or other parts of fixture may be cleaned with a soft damp cloth and mild detergent.

LEUCOS a Brand of Clann srl will replace merchandise with manufacturing defects only if it is returned to the retailer from which it was purchased.

The appliance may in no way be modified or tampered with, any modification may compromise safety causing the appliance to become dangerous. Leucos a brand of Clann srl declines all responsibility for products that are modified.

If exposed to direct sunlight, the materials used in this product may show a natural chromatic variation.

The LED (Lighting group) can be replaceable by final user. See separate instructions.

If the cable is damaged it must only be replaced by the manufacturer or qualified personnel.

## DATI TECNICI - TECHNICAL DATA

### JJ GREAT - JJ BIG FLOOR OUTDOOR

45W LED 220-240V 50/60Hz POTENZA ASSORBITA TOTALE 49W

6433 lm CRI≥90

148 lm/W

Dimmerabile CASAMBI

### JJ GREAT - JJ BIG FLOOR OUTDOOR

for US market only

37HHW LED 120V 50/60Hz TOTAL POWER 42W

5623 lm CRI ≥ 90

151 lm/W

Dimmerabile CASAMBI

La dimmerazione è gestita tramite applicazione casambi scaricabile per smartphone.

**Apparecchio in gruppo di rischio fotobiologico RG1 Illimitato:** il dispositivo ha un rischio fotobiologico molto basso

**Risk group 1 unlimited:** very low dangerous risk of photobiological emissions.

IP44 Con spina - With plug

IP65 Con connettore - With connector
