

360° P/PL 120 Ceiling/Wall Lamp

Leucos Design Lab, 2000

360° is as revolutionary as its name implies. The wall lamp is completely free to rotate 360° and give you any combination of direct or indirect lighting that your project needs. Its heat-resistant polished glass core is partially satin-finished to reduce direct glare at any angle. Designed in 2000 by Leucos Design Lab, 360° remains an icon of lighting technology available in 2 sizes (120 and 200) and 2 finish options (chrome or satin nickel).

Diffuser/Structure Finish Options:

Satin/Transparent Glass/Chrome
 Satin/Transparent Glass/Satin Nickel

SKU(s):

0001723 Chrome Structure
 0001732 Satin Nickel Structure

Family Includes:
