Leucos Design Lab, 2009

Created by the Leucos Design Lab, the Block Wall Lamp is a versatile design solution. The classic gloss white finish of the glass front is perfect for minimal/subdued projects but agile enough for a wide range of applications. Block allows up and down light in addition to the stunning soft glow from its beautiful glass diffuser. Block is available in 2 sizes (14 cm and 29 cm) as well as an integrated LED option.
