

## Deluxe S 35 Pendant

Archirivolto, 2006

The Deluxe Pendant, designed by Archirivolto, is a versatile and bold lighting collection featuring a geometrically patterned, cloud-shaped hand-blown glass diffuser. Its hand-blown satin white or matte black diffuser is made of multiple layers of glass to create a rich look. This traditional Murano hand-blown glass technique is called *incamiciato* (Italian for “jacketed” or “layered”), which requires multiple layers of glass during the blowing process to create perfect diffusion. The Deluxe Pendant is available in 2 size options (35 and 55 cm) and 2 finish options (satin white or matte black). The Deluxe Collection includes both pendant and ceiling lamp options.
