

## Drop Recessed Downlight, Lo Voltage

IC Insulated Housing

Toso, Massari & Associates, 1998

Drop brings any recessed light application to life with a beautiful genuine crystal diffuser that is hand poured in Italy. Designed by Toso, Massari & Associates, Drop is an elegant UL listed light alternative to a basic recessed light. Its decorative trim adds the perfect amount of dazzle and additional light diffusion to your commercial, hospitality or residential project. The decorative tip completely covers the recessed light, creating beautiful, diffused light and makes it wet listed. Drop is available as Low Voltage or Integrated LED in a variety of lumen outputs, color temperatures, dimming protocols, housings (by Contraste) and 2 finish options (crystal or satin white with a crystal tip).
