

## Igea Recessed Downlight, Lo Voltage

Remodel Housing  
 Roberto Pamio, 1991

Igea brings any recessed light application to life with a beautiful genuine crystal diffuser that is hand poured in Italy. Designed by Toso, Massari & Associates, Igea is an elegant UL and damp listed light alternative to a basic recessed light. Its decorative trim adds the perfect amount of dazzle and additional light diffusion to your commercial, hospitality or residential project. Igea is available as Low Voltage or Integrated LED in a variety of lumen outputs, color temperatures, dimming protocols, housings (by Contraste) and 2 finish options (crystal or satin white).
