

Kuk S Pendant

Paolo Crepax, 2011

Kuk is a contemporary design by Paolo Crepax that plays with a traditional, handcrafted Venetian glass-making technique called *morrisa* to create something unexpected. Kuk's diffuser will shine and sparkle on your walls and ceilings as light explodes from its core, creating beautiful light patterns in addition to illuminating your kitchen, bathroom, hall, bedroom, office, or contract application. The Kuk Collection includes a pendant and a ceiling/wall lamp.
