

Lilith S 55 Pendant

Leucos Design Lab, 2005

The Lilith Pendant is an elegant lighting solution with a stunning moiré light effect created by threading thin string in a consistent pattern across the shade in two layers. As you engage it from different viewpoints, the light pattern shimmers and changes. A satin white diffuser covers the bottom of the drum to minimize glare resulting in a dynamic diffused light for your space that is at once traditional but also contemporary. The Lilith Pendant comes in 3 sizes (40, 55 and 70 cm) and 3 colors (mocha, silver or white). The Lilith Collection includes a pendant, ceiling lamp, and wall lamp.
