

Pascale P 40 Wall Lamp

Leucos Design Lab, 2015

Pascale was designed by Leucos Design Lab in 2005 as a stunning transitional lamp. Made of shimmering genuine crystal, handmade in Italy using a pressed rib mold, the lamp creates a sparking diffused light that fills the area with elegance and tradition. Its ribbed pattern extenuates this effect and adds visual appeal. The Pascale Collection includes both a ceiling and a wall lamp.
