

Beta Big Wall/Ceiling

Paolo Franzin, 2010

Beta, designed by Paolo Franzin, plays with the nuances of its light source. Its simple stack of decorated glass forms reads as a beautiful off-white when turned off, but becomes a display of beautiful fading sand colors when illuminated. The result is something in between a functional lamp and a light sculpture.

Diffuser Options: OFF: Gloss White,
ON: Shades of Sand

Structure Options: Satin Steel

Size Options: Small, Big

Dimensions:

Width: 20.5in/52cm
Depth: 20.5in/52cm
