

The Great JJ Floor Lamp

Leucos Design Lab, 2005

The Great JJ Floor Lamp updates the original Jac Jacobsen L-1 architect desk lamp (1937) for contemporary use. The 2009 refresh of this iconic design is a clever play on scale that turns a simple classic task lamp into a bold statement piece for your living room, bedroom, office or contract space. A heavily plated base gives the lamp weight and stability, while the inner diffuser is white to maximize the light output for your space.

Diffuser/Structure Options: Gloss Black, Gloss White, Matte Black, Matte Light Grey, Matte White, Corten

Dimensions:
Width: 22in/56cm
Depth: 47.6in/121cm
Height: 165.35 (max) in/420 (max)cm

E26 Socket
Recommended Bulb: 1x E26 15W Retrofit LED Bulb or 1x E26 250W Incandescent or Halogen Bulb

Notes:
Outdoor version available

Weights
Item: 268.5lbs
Gross: 299.2lbs
Parcels: 1
Volume: 29.3

Dimming Protocol: Dimmable Version Available On Request

Voltage: 120 V

SKUs: 0002052, 0002050, 0002048, 0002046, 0002044, 0008054
