

The Great JJ Floor Lamp, Outdoor

Leucos Design Lab, 2009

The Great JJ Floor Lamp updates the original Jac Jacobsen L-1 architect desk lamp (1937) for contemporary use. The 2009 refresh of this iconic design is a clever play on scale that turns a simple classic task lamp into a bold statement piece for your living room, bedroom, office or contract space. A heavily plated base gives the lamp weight and stability, while the inner diffuser is white to maximize the light output for your space.

Diffuser/Structure Options: Matte Black, Matte Light Grey, Matte White, Corten

Dimensions:
Width: 22in/56cm
Depth: 47.6in/121cm
Height: 165.35 (max)
in/420 (max)cm

GX8.5 Socket
Recommended Bulb: 1x GX8.5 70W
Metal Halide Bulb

Voltage: 120 V

Weights
Item: 337.3lbs
Gross: 368.2lbs
Parcels: 4
Volume: 78

Certifications:
Outdoor Rated

SKUs: 0009392, 0002058, 0002056,
0002054
