

Trecentosessantagradi 120 Wall/Ceiling

Leucos Design Lab, 2000

Trecentosessantagradi (360°) is as revolutionary as its name implies. The wall lamp is completely freed to rotate 360° and give you any combination of direct or indirect lighting that your project needs. Designed in 2000 by Leucos Design Lab, Trecentosessantagradi remains an icon of lighting technology.
